Rheumatic Pain Stopped.

The drawing of muscles, the soreness, stiffness and agonizing pain of Rheumatism quickly yield to Sloan's Liniment. It stimulates circulation to the painful spot. Just apply massaged to the sore spots. In a short time the pain gives way to a tingling sensation of blood and warmth. Here's proof—"I have had wonderful relief since I used your Liniment on my knee. I think one application gave me relief. Sorry I haven't space to tell you the history. Thanking you for what your remedy has done for me." James S. Ferguson, Philadelphia. Sloan's Liniment kills pain. 25c at Druggists.

Avoid Spring Colds.

Sudden changes, high winds, shifting seasons, cause colds and grippe, and these spring ailments are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases the best treatment is Dr. King's New Discovery, a pleasant Laxative Tea Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It's already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.

Charge Again This Year.

For the dancing this year Hickey's orchestra will furnish music.

Coal Costing More.

Coal has gone up in Willimantic, not only in smoke but in price. The local dealers have announced a 25 per cent increase on egg, stove and nut coal and an 8 per cent increase on pea coal. Last summer the price was \$17.50 per ton for egg, stove and nut coal, and this summer it will be \$22.50 per ton. Pea coal last summer cost \$6.50 and this summer will be \$7. These prices will hold good until Sept. 1, and on that date the price on all kinds will be advanced 25 cents per ton. What the price after the first of September will be is hard to say, as there is a shortage of coal at present due to a number of causes, such as the shortage of help at the mines and a shortage in the local yards, as they are unable to get coal because of the embargoes in force by the railroads. The local dealers say that the increase in price of coal to them is due to the cost of the coal, and each month from now on it advances 10 cents a ton until Sept. 1, and they are not sure what the wholesale price will be after Sept. 1. This increase is due principally to the increase in wages of 15 per cent paid to the miners and to the cost of the coal working day from nine to eight hours with double time for overtime and holiday work.

Dr. Cole's Automobile Struck by Car.

While on their way to this city in an automobile Thursday night, Dr. Chester W. Cole, his 4-year old daughter Betty and the doctor's father, Thomas H. Cole, of Windham street, had a narrow escape from serious injury at Manchester. The party left Oyster Bay early Thursday morning and when party was what is known as the twin hill in Manchester, Dr. Cole attempted to turn around. While backing on to the trolley track the stone car of the Connecticut company appeared coming down the hill. The engine of the auto stalled and before the doctor could get it started again the car struck the rear wheel, bending the mudguard. Dr. Cole was the one to feel the effects of the bump and his injuries were slight. The auto was left by the roadside and the party came to this city in another machine.

Shaves Advance a Nickel a Face.

The matter of raising the price of shaving has been under discussion for some time past and at a meeting of the Journeymen Barbers, local No. 642, as taken up by the doctor's father, Thomas H. Cole, of Windham street, and decided that beginning next Monday morning the price of a shave will be increased to 10 cents. There are 16 union shops in this city that will be affected by this order. At the meeting it was also voted to keep one shop open on Monday night and to close down all day Memorial day (Tuesday). Saturday night the shop will close at 10:30 instead of 11 o'clock.

Girls' Club Picnic.

At a meeting held Friday afternoon the Girls' Club of Windham High school voted to hold the annual picnic at South Coventry lake shortly after examinations.

Apple Blossom Social.

The Congregational Christian Endeavor Society held an apple blossom social in the vestry on Thursday evening. The platform was covered in apple blossoms and each guest received an apple blossom bouquet. Misses Edith Thompson and Margaret Young played a piano duet. Miss Katherine Eichelberg read a humorous story. Alice Smith was sung by the company. A musical romance tested the knowledge of songs. Mrs. E. H. Hickey playing the selections as Miss M. A. Burdick read the story. What would you do if—raised shouts of laughter at the ludicrous combinations in the answers. Suggestions on the surfaces of a penny was another test of wit. Ice cream and cake were served. The social committee, Miss M. A. Burdick, chairman, arranged the affair.
